

You've arrived in Ōtautahi Christchurch – the heart of Aotearoa New Zealand's South Island.

A city and countryside for all seasons, where mountains meet the sea.

Christchurch city has revitalised itself to become one of the world's most unique destinations, a future-focused city with modern architecture and a world-class urban centre while retaining some of its old-world charm and beautiful gardens – ready for you to explore!

Catch a tram ride through the city to get your bearings or meander your way down the iconic Avon River for a different perspective.

Hungry or need to take a break? The Terrace is the place to be with restaurants spilling out onto the riverbank. Or if you're looking for a food market, make a beeline to Riverside Market or Little High Eatery for a relaxing atmosphere.

Our arts and culture scene are thriving, with national galleries, museums and beautiful historic buildings. Check out the street art and take a walking tour of the city.

If you're exploring beyond the city centre, there are ziplines in the Port Hills, jet skis on Lyttelton Harbour, giraffes to feed, or Hägglund rides and a penguin colony at the Antarctic Centre nearby.

We're so excited to have you visit our city!
